

TREK PRIME™ 2.0

Your wood-fired adventure starts with the all-new TREK PRIME™ 2.0. This little guy packs some serious wood-fired flavor by harnessing 12V Direct Power with unrivaled heat consistency and temperature control. Whether you're championing your backyard BBQ or hitting the road camping or tailgating, the TREK gets the job done. The new rounded/peaked hybrid chamber provides for optimal heat distribution and smoke circulation creating a superior 360° of wood-fired greatness. The new PRIME 2.0 App makes it even easier to control and monitor your grill from anywhere. Fire up your TREK to backyard BBQ greatness with the new industry standard of pellet grilling!
